Volume #1 Issue #2

Message from our CEO Jedidiah Taylor:

“Caliber Technologies would like to thank all of our customers for their continued trust and loyalty as these wishes would not be possible without your business and support.”

*Caliber Technologies is proud to announce that due to your direct support and our donations we were able to make The Cogswell Family wish come true. They are on their way home to Georgia but with a stop on the way at*

**Disneyland**  
RESORT

Click here to see the family Thank you!

SPC Cogswell has been deployed to both Afghanistan and Iraq, and is currently stationed in Hawaii with the 57<sup>th</sup> Military Police Company, 8<sup>th</sup> MP Brigade at Schofield Barrack. They have three daughters, one of which, Cadence, is sadly stricken with growth hormone deficiency and septo-optic dysplasia that is causing her to go blind. The doctors are predicting that she will likely have no vision at this time next year.

The family is trying to make as many memories as they can while Cadence still has her sight. They had requested to fly back home to Georgia to see their family and go to Disneyland which has been a longtime dream of little Cadence.

**Caliber Technologies would like to introduce our newest Veteran hire. Please welcome SFC John Valentine (ret) to our Caliber Technologies Team.**

Sergeant First Class (SFC) John Valentine comes to us after 20 years of active service in the US Army. John had a long and decorated career in the US Army which includes multiple deployments to Afghanistan and Iraq. He was awarded the Bronze Star and Combat Medics Badge for action under enemy fire. He is married and has four children ranging in ages from 5 months to 12 yrs. He is excited to be on board and is showing his never quit attitude every day!

“I am proud to be a part of Caliber Technologies. The honor, integrity and loyalty are shown here everyday. It’s one of the best experiences since my retirement.”
